Urgent For Review For Comment For Reply Per Your Request

Comments:

This is a response to your request by email this evening. I will make the email of record as a miscellaneous incoming letter.

(1) The "net-mercial.com" reference is in the image file-wrapper (IFW). (It is with the other papers made of record on 21 November 2005, not in a "references" section.) Hence I believe you should be able to access it through private PAIR. Try again and contact the Electronic Business Center, at 866-217-9197, for help if you still can't find it. In any event, the reference follows as the next two pages of this transmission.

(2) You are correct that the instant application has priority to all four provisional applications. I will make a corrected Bibliographic sheet of record.
